Frequently Asked Questions

THE CEREMONY

Can I get legally married in Portugal?

Yes, you can get legally married here with a civil wedding either at a Church, the venue or at another option, say a beach.

Is there a local church?

Casa Rupí is 15 minutes away from the Traditional Portuguese Church at Boliqueime. It is possible for an Anglican service/Blessing at the Church.

Can I have a ceremony with a Blessing only as I plan to get married beforehand?

Yes, this is not a problem and you have several excellent Celebrants that work here in the Algarve.

Is confetti allowed?

Yes, biodegradable confetti is allowed

THE VENUE

If we are hiring the venue for a wedding or event only, when can we arrive?

The venue will be available for you from Midday or earlier by prior arrangement.

Is the venue wheelchair accessible?

Casa Rupí does have steps free access to each area of the grounds and ground floor of the villa. I am afraid it does not have a specially designed disabled bathroom although there is good space in the suite bedrooms.

What is the maximum number of guests that can attend?

We recommend a maximum of 120 guests

What time does the evening have to finish?

The music license is requested until 2am but we ask for music to be lowered at Midnight to avoid any potential problems with neighbours.

May we decorate the venue?

Yes, as the venue is exclusively hired, which means they are exclusively yours. You just need to be careful not to damage the property!

Frequently Asked Questions

THE VENUE

Can we use candles?

Yes, candles are permitted throughout.

Are we allowed Sparklers?

Yes, but you need to be aware that the large sparklers can cause damage to fabrics such as table clothes.

Are we allowed fireworks?

Free standing firework fountains are allowed but regrettably no flying fireworks or Chinese lanterns, due to a prohibition of using pyrotechnics during the summer by the Portuguese Government to limit the risk of wild fires.

Is there a Music system?

We have our own BOSE music system which is available for hire. It is appropriate for post wedding parties but we recommend a DJ or live musicians with their own equipment for the ceremony, reception and evening parties.

How do guests get to and from the venue?

There are several taxi companies and we recommend transport is organised in advance of the event. The single track road to the villa is not suitable for vehicles larger than a 9 seater minibus. Uber is a possible option but the number of vehicles available may be limited particularly at night

CATERING

May we use a caterer other than Quinta Occasions?

The venue can only be hired for weddings and parties with catering and bar services provided by Quinta Occasions. An outside catering company may be approved by Quinta Occasions for an additional venue charge of 30 Euros per person.

We would like to have a Next day pool party. Is this possible?

Yes, Please see the options in our menus guide.

Can we provide our own drinks?

Regrettably this is not an option we can offer. Experience has shown that it is better for us to provide staff, glassware, polyglasses for the evening party, ice and beverages in line with the options listed in our wedding and celebration menus.

Frequently Asked Questions

CATERING continued

Can you cater for special diets?

Yes, we often provide vegetarian, vegan and gluten free diets. We also ask you to make us aware of any known allergies prior to the event.

How and when can we have a food and wine tasting?

We can organise this with you usually between the months of March and November. We ask you to choose from the food tasting menus that will be provided in advance for you. It is usual for you to either choose a set menu for all guests or ask guests to choose from say 2 starters, 2 main courses and 2 desserts at least one month in advance of the wedding

Can you recommend us as to how to organise the day at the venue?

Yes, our recommendation is to have a ceremony on the East Lawn, the Reception on the North lawn, cake cutting on the Top terrace and Dinner and the evening party in the Courtyard.

ACCOMMODATION

Can you explain more about the accommodation?

There is one master double room and 4 bedrooms that can be set up as doubles or twins. Four of the rooms are en suite and the fifth bedroom has good access to a shower room that doubles up as the villa's cloakroom.

Can you accommodate more than 10 guests?

We can provide up to 4 put up beds for children at 30 euros each per night.

Can you provide cots and highchairs?

Yes, we can provide for you as required free of charge

Do you provide linen and Towels?

Yes, we provide linen, bath towels and pool towels

What can we expect to find at the villa?

We provide some basic supplies and we ask you to read the General information, policies and procedures for the villa.

I hope you're both doing well, and enjoying the wonderful praise you've both been given by L and S. As you know I have lots of delightful photos from their wedding day which I'm yet to get round to sorting and editing, and in time I'll get some to you. In the meantime please feel free to use this photo on your social media, saying how much kids love it at your Casa Rupí Villa...

It's a wonderful venue, and I'm exceptionally impressed with the way you guys handled the wedding day, preparation and wedding day! Some of the best I've seen and I've been to a lot of weddings. All staff I found to be extremely well mannered, polite, calm, and would do anything in order to help the client... Values to which I myself adhere too! Bravo!

Let me start by thanking you all for the splendid wedding you laid on for us at Quinta Jacintina. I have already asked me if we can book for a few days on our anniversary next year! All your staff were professional, caring and excellent company for the whole time we stayed.

Hi Sally,

I wanted to email you and say a massive thank you, I cannot tell you how perfect our day was. You made it go so smoothly and we can never say thank you enough. You are wonderful!

The villa is beautiful! We had the most spectacular time and have terrible post wedding/holiday blues.

June 2019

Good afternoon Sally and John,

Now that the weekend has died down and my home is back to normal I just wanted to take the time to thank you both and of course your teams for the amazing job that was delivered to make Lucy and Dans wedding a huge success. From the start of the set up on Thursday until the clear up on Sunday all of the staff were courteous, respectful and friendly, they also treated my home with great care. I couldn't believe that by Sunday lunch time you would never have guessed that 100 guests plus staff had even been in the house and it's grounds, everything was left spotlessly clean.

It was a real pleasure working with you both and I was very impressed with the levels of service and quality of the food and drinks. I attended the couples after party on Sunday and all the guests were more than complimentary about the food and your service, so well done to you all.

I look forward to working with you all in the future and I will certainly recommend your services to my future clients.

Sept 19

Hi Sally,

Just on behalf of Sinead and I we would love to thank you for the wonderful day you and your wonderful staff gave to us. It was better than we ever imagined and it will be something that will be forever with us. Thank you so much for all your help leading up to the big day and for allowing us to use Casa Rupí for the occasion. I loved the Villa from the first moment I saw and as I was watching everything come together from first thing in the morning I was absolutely blown away by what you managed to provide to us. From the setting up of the area for the ceremony to the positioning of the tables and the flowers and just everything it was just so so spectacular watching during the day. Casa Rupí is such a special place for both me and Sinead (the most favorite place in the world for me) and all the guests. It was a very emotional day for me and I think that may have been noticed as the big long speech I had been preparing all week just didn't happen but other than that it was just perfect for us and all our guests. You are an amazing person and so easy to have worked with. There was no drama or BS with you from day one and just made things so easy and relaxed for us.

I can not begin to thank you enough for everything and I look forward to visiting Casa Rupí again in the future.

Again thank you so so much on behalf of both of us and all our guests.

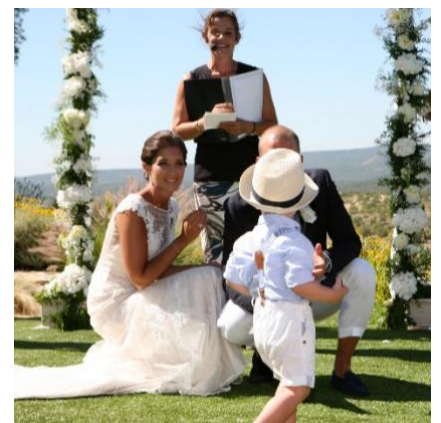

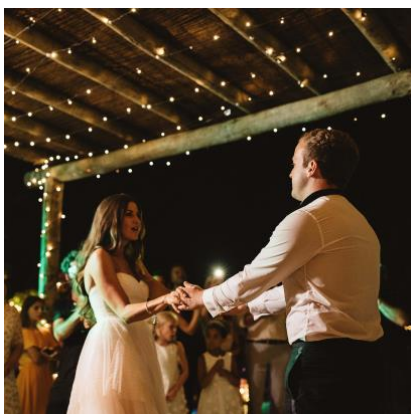

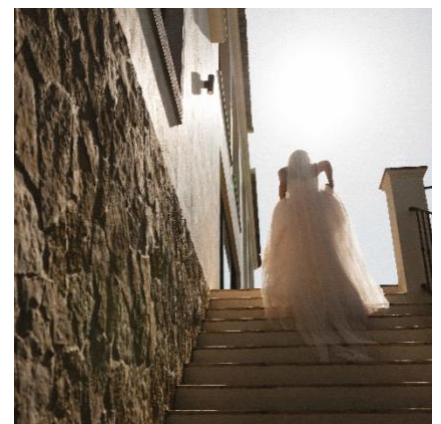

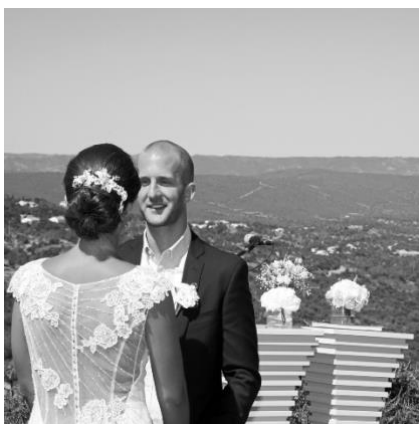

Kindest regards and best of wishes to you,
S and S

Sept 19
